

Maidenhead
2 Sept 1870

My dear Sir

As I said, you owe me nothing, unles^s it be for Turberville & Whistone sent on 18 Jany last, and for the payment of which I find no recd^m among my papers. You may have sent the money, but I have no record of it. Of course, I will instantly take your word on the point.

For my Yellow Series your name, as you saw,
^{and is} was^p on my List, and that £1 is not yet expended.

J

I have for some time had
two other lists for Reproofs,
on which I am sorry to
say I do not see your name
viz,

1. My Blue Series
2. My Purple Series

Of the first you have some
200: I do not know precisely
how many; but I have in-
sured several since you sent
me any remittance, and these
you can have on the usual
terms.

Of the second you do
not seem to have one, the
reason being that you did
not subscribe. The series
consists at present of four
parts, which also you can

have, if you like to give
me your name.

Of h^o 4 of my Yel-
low Series, I have, as I told
you yesterday, ~~I have no~~
copy; but I have a copy
of the small preliminary
supplement to G. Harvey's
"Percy's Supererogation", if
you want it.

Of the Yellow Series
you ought to have 14 h^o
not including the "prelimi-
nary Supplement", which would
make it consist of 15 sepa-
rate pieces.

I return your own
as well as my note with thanks.

Yours very sincerely

J. Payne Collier
S. H. Harlowe Esq.
